

ATTENDANCE POLICY

PURPOSE:

The purpose of this policy is to:

- ensure all children of compulsory school age are enrolled in a registered school and attend school every day the school is open for instruction
- ensure students, staff and parents/carers have a shared understanding of the importance of attending school
- explain to school staff and parents the key practices and procedures Melbourne Girls' College has in place to
 - support, monitor and maintain student attendance
 - record, monitor and follow up student absences.

SCOPE:

This policy applies to all students at Melbourne Girls' College.

This policy should be read in conjunction with the Department of Education and Training's [School Attendance Guidelines](#). It does not replace or change the obligations of Melbourne Girls' College, parents and School Attendance Officers under legislation or the School Attendance Guidelines.

DEFINITION:

Parent – includes a guardian and every person who has parental responsibility for the child, including parental responsibility under the *Family Law Act 1975* (Cth) and any person with whom a child normally or regularly resides.

POLICY:

Schooling is compulsory for children and young people aged from 6 to 17 years (unless an exemption from attendance or enrolment has been granted).

Daily attendance is important for all children and young people to succeed in education and to ensure they do not fall behind both socially and developmentally. School participation maximises life opportunities for children and young people by providing them with education and support networks. School helps people to develop important skills, knowledge and values that set them up for further learning and participation in their community.

Students are expected to attend Melbourne Girls' College during normal school hours every day of each term unless:

- there is an approved exemption from school attendance for the student
- the student has a dual enrolment with another school and has only a partial enrolment in Melbourne Girls' College, or
- the student is registered for home schooling and has only a partial enrolment in Melbourne Girls' College for particular activities.

Both schools and parents have an important role to play in supporting students to attend school every day.

Melbourne Girls' College believes all students should attend school all day, every day when the school is open for instruction and is committed to working with its school community to encourage and support full school attendance.

Our school will identify individual students or cohorts who are vulnerable and whose attendance is at risk and/or declining and will work with these students and their parents to improve their attendance through a range of interventions and supports.

Students are committed to attending school every day, arriving on time and are prepared to learn. Our students are encouraged approach a teacher and seek assistance if there are any issues that are affecting their attendance.

Melbourne Girls' College parents are committed to ensuring their child/children attend school on time every day when instruction is offered, to communicating openly with the school and providing valid explanations for any absence.

MELBOURNE GIRLS' COLLEGE

Parents will communicate with the relevant staff at Melbourne Girls' College about any issues affecting their child's attendance and work in partnership with the school to address any concerns.

Parents will provide a reasonable explanation for their child's absence from school and endeavour to schedule family holidays, appointments and other activities outside of school hours.

Supporting and promoting attendance

Melbourne Girls' College's *Student Wellbeing and Engagement Policy* supports student attendance.

Our school also promotes student attendance by: opening the Library, Study Centre, Canteen and Student Wellbeing area early for students to access before school; having a Home Group and Wellbeing Program and Attendance Officers; putting work up on Compass, so absent students do not fall behind on school work.

Note: Students in VCE/VM with an attendance below 90% may be At Risk of receiving an N for the subject/unit, due to work authentication and/or learning shown during class time to meet the requirements.

Recording attendance

Melbourne Girls' College must record attendance in every class. This is necessary to:

- meet legislative requirements
- discharge Melbourne Girls' College's duty of care for all students
- meet Victorian Curriculum and Assessment Authority requirements for VCE students

Attendance will be recorded by the classroom teacher at the start of each lesson/period using Compass.

If students are in attendance at a school approved activity, the teacher in charge of the activity will record them as being present.

Recording absences

For absences where there is no exemption in place, a parent must provide an explanation on each occasion to the school.

Parents should notify Melbourne Girls' College of absences by:

- through Compass - if it is an unplanned/planned absence
- or by contacting reception if it is an unplanned/planned absence and asking to speak to the Year Level Student Attendance Officer – or a Year Level Leaders or Student Engagement and Wellbeing Leader, if it is sensitive in nature.
- The Year Level Student Attendance Officer, Year Level Leaders or Student Engagement and Wellbeing Leader will then inform teachers – to ensure work will be provided on Compass

If a student is absent on a particular day and the school has not been previously notified by a parent, or the absence is otherwise unexplained, Melbourne Girls' College will notify parent A through an SMS/push notification message, the Year Level Student Attendance Officer will also make calls home to parents to ask for an explanation and help them to update Compass. Melbourne Girls' College will attempt to contact parents as soon as practicable on the same day of the unexplained absence, allowing time for the parent to respond.

If the Student Attendance Officer is unable to make contact with the parent (e.g. due to incorrect contact details), they will refer it to either a Year Level Leader or a Student Engagement and Wellbeing Leader school who will attempt to make contact with any emergency contact/s nominated on the student's file held by the school, where possible, on the day of the unexplained absence.

MELBOURNE GIRLS' COLLEGE

Melbourne Girls' College will keep a record of the reason given for each absence. The Principal will determine if the explanation provided is a **reasonable excuse** for the purposes of the parent meeting their responsibilities under the *Education Training Reform Act 2006* and the School Attendance Guidelines.

If Melbourne Girls' College considers that the parent has provided a **reasonable excuse** for their child's absence the absence will be marked as '**excused absence**'.

If the school determines that no reasonable excuse has been provided, the absence will be marked as '**unexcused absence**'.

The Principal has the discretion to accept a reason given by a parent for a student's absence. The Principal will generally excuse:

- medical and dental appointments, where out of hours appointments are not possible or appropriate
- bereavement or attendance at the funeral of a relative or friend of the student, including a student required to attend Sorry Business
- school refusal, if a plan is in place with the parent to address causes and support the student's return to school
- cultural observance if the parent/carer notifies the school in advance
- family holidays where the parent notifies the school in advance – unless in VCE/VM

If no explanation is provided by the parent within 10 school days of an absence, it will be recorded as an 'unexplained absence' and recorded on the student's file.

Parents will be notified if an absence has not been excused.

Managing non-attendance and supporting student engagement

Where absences are of concern due to their nature or frequency, or where a student **has been absent for more than five days**, Melbourne Girls' College will work collaboratively with parents, the student, and other professionals, where appropriate, to develop strategies to improve attendance, including:

- establishing an Attendance Student Support Group
- implementing a Return to School Plan
- implementing an Individual Education Plan
- implementing a Student Absence Learning Plan for students who will be absent for an extended period
- arranging for assistance from relevant the Student Wellbeing Team, Careers, Student Support Services (SSS) and Navigator.

We understand from time to time that some students will need additional supports and assistance, and in collaboration with the student and their family, will endeavour to provide this support when it is required,

Referral to DET School Attendance Officer

If Melbourne Girls' College decides that it has exhausted strategies for addressing a student's unsatisfactory attendance, we may, in accordance with the School Attendance Guidelines refer the non-attendance to a School Attendance Officer in the Northwestern Region for further action.

If, from multiple attempts to contact with a parent, it becomes apparent that a student will not be returning to the school, the Principal may make a referral to a School Attendance Officer if:

- the student has been absent from school on at least five full days in the previous 12 months where:
 - the parent has not provided a reasonable excuse for these absences; and
 - measures to improve the student's attendance have been undertaken and have been unsuccessful
- the student's whereabouts are unknown and:
 - the student has been absent for 10 consecutive school days; or

MELBOURNE GIRLS' COLLEGE

- no alternative education destination can be found for the student.

Note: Police may be contacted to do a welfare check, if the school is unable to contact the student or family in a reasonable amount of time, and there are welfare concerns.
