

## Information for parents

### Our commitment to the responsible use of digital technology

At Melbourne Girls' College we are committed to building a culture of respect and responsibility. We show this in the way we use technology and interact online. We teach our students about responsible digital behaviours, including how to recognise and respond to online dangers and threats. We support students to develop the digital skills they need to make a positive impact in the world. We are intentional and discerning about our integration of digital tools into the curriculum, providing rich, interactive and personalised experiences, while ensuring a balance with offline learning opportunities.

### What we do

	<p><b>We set clear expectations</b></p> <ul style="list-style-type: none"> <li>• We have clear expectations about appropriate conduct using digital technologies.</li> <li>• Our <a href="#">Mobile Phone Policy</a> outlines our school's expectations relating to students using mobile phones during school hours.</li> <li>• We have clear and appropriate consequences when students breach these expectations, in line with our <a href="#">Student Wellbeing and Engagement Policy</a>.</li> </ul>
	<p><b>We teach appropriate conduct</b></p> <ul style="list-style-type: none"> <li>• We teach our students to be safe, intentional and responsible users of digital technologies, including age-appropriate instruction on important digital issues such as cybersafety and cyberbullying.</li> </ul>
	<p><b>We partner with families</b></p> <ul style="list-style-type: none"> <li>• We work with parents and carers to understand the digital technology-related issues they are facing at home. We support them with information and tools that help.</li> </ul>
	<p><b>We provide access to technology</b></p> <ul style="list-style-type: none"> <li>• We provide access to educational software for students to use, including Office 365 application suite, Papercut, Vivi, Adobe Creative Cloud, Compass</li> <li>• We create student email accounts which are non-identifiable.</li> </ul>
	<p><b>We supervise digital learning</b></p> <ul style="list-style-type: none"> <li>• We supervise students using digital technologies in the classroom, consistent with our duty of care.</li> <li>• We use clear protocols and procedures to protect students working in online spaces</li> </ul>
	<p><b>We take appropriate steps to protect students</b></p> <ul style="list-style-type: none"> <li>• We provide a filtered internet service to block inappropriate content. Full protection from inappropriate content cannot be guaranteed, however, we have processes to report and act on inappropriate content.</li> <li>• We may access and monitor messages and files sent or saved our network, if necessary and appropriate.</li> </ul>
	<p><b>We appropriately manage and respond to online incidents</b></p> <ul style="list-style-type: none"> <li>• We work to prevent, respond, and learn from issues or incidents relating to the use of digital technology, including cybersecurity incidents, cyberbullying and risks to child safety.</li> <li>• We refer suspected illegal online acts to the police.</li> </ul>

## How parents and carers can help

Learning about technology and its impacts doesn't stop at the school gate. Below are our suggestions for ways you can support your children to responsibly use digital technology.

	<p><b>Establish clear routines</b></p> <ul style="list-style-type: none"> <li>• Talk to your child about expectations including when, where, and how digital devices can be used at home, ensuring these rules are age-appropriate and consistent. These can include: <ul style="list-style-type: none"> <li>○ Requiring devices to be used in a common area, such as a living room or study area</li> <li>○ Setting up a specific area for charging devices overnight, away from bedrooms, to promote better sleep hygiene.</li> </ul> </li> </ul>
	<p><b>Restrict inappropriate content</b></p> <ul style="list-style-type: none"> <li>• Use built-in parental controls on devices and apps to help manage their device access and restrict inappropriate content.</li> <li>• Consider restricting the use of apps with addictive game mechanics (e.g. rewards, badges, limited exit options).</li> </ul>
	<p><b>Talk about online safety</b></p> <ul style="list-style-type: none"> <li>• Talk with your child about the importance of protecting personal information, recognising online scams, and understanding and adjusting privacy settings on social media.</li> <li>• Encourage your child to talk to you or another trusted adult if they feel unsafe online.</li> </ul>
	<p><b>Model responsible and balanced technology use</b></p> <ul style="list-style-type: none"> <li>• Encourage a healthy balance between screen time and offline activities, especially outdoor unstructured play and time with friends and family, face-to-face.*</li> <li>• Demonstrate responsible and balanced tech use in your own daily routine to set a good example for your child.</li> </ul>
	<p><b>Work with us</b></p> <ul style="list-style-type: none"> <li>• Let your child's teacher know about concerns you have regarding their technology use</li> <li>• Keep informed about what your child is learning at school, so you can help reinforce positive messages at home.</li> </ul>

\*Australia's physical activity and sedentary behaviour guidelines include the following recommendations for children between 5-17 years-old regarding sedentary recreational screen time:

- no more than 2 hours of sedentary recreational screen time per day
- avoiding screen time 1 hour before sleep
- keeping screens out of the bedroom.

## Personal devices at Melbourne Girls' College

Melbourne Girls' College operates a Bring Your Own Device (BYOD) program. Parents/carers are invited to purchase or supply a device for their child to bring to school. We have made special arrangements with Learning With Technologies who offer discounted prices for the lease or purchase of devices for our students.

### Technical specifications for BYOD devices

To ensure smooth and reliable technology access and student support, we have set the following technical specifications for all personal devices. If purchasing or supplying a personal device to use at Melbourne Girls' College, please ensure that it complies with the following specifications:

- Students are welcome to bring an alternative device with the following features:

#### Required device features:

- Minimum Intel core i5 processor
- Minimum 8GB RAM
- Appropriately sized screen (11 inches minimum) and a sturdy keyboard to enable continuous use throughout the day.
- Minimum operating system Windows 10 (No windows 10/11 s mode, No Chromebook) or Mac OS X 13 (Ventura – late 2022) and newer.
- Minimum 6 hours of advertised battery life
- Minimum storage of 256GB
- The department's Wi-Fi network installed in high schools operates on the 802.11n 5Ghz standard. Devices that do not support this standard will not be able to connect.
- Camera, microphone and stylus pen.

#### Highly recommended device features:

- Screen protection, lightweight-tough and sturdy casing to avoid breakage
- Insurance, warranty for the BYOD device
- Up-to-date software and OS
- Ports, e.g. microSD card, USB-A, USB-C, 3.5mm headphone jacks

### Behavioural Expectations – Personal devices

When bringing a personal device to schools, students must ensure that:

- it is fully charged each morning
- it is carried to school with appropriate care in a carry case and stored in lockable storage when not in use
- any physical device damage is immediately reported and if necessary, repaired
- it is clearly labelled with the student's name and class

### Supports and services provided

Melbourne Girls' College will provide the following technical support services for personal devices brought to school:

- Support to access software like Office 365 application suite, Papercut, Vivi, Adobe Creative Cloud, Compass.
- Providing student log-in credentials to access the school's network/internet, including a school email account.

Please note that our school does not have insurance to cover accidental damage to students' devices, and parents/carers are encouraged to consider obtaining their own insurance for their child's device.

Students, parents and carers who would like more information or assistance regarding our BYOD program are encouraged to contact Melbourne Girls' College IT department at [mgc\\_helpdesk@mgc.vic.edu.au](mailto:mgc_helpdesk@mgc.vic.edu.au) or call us at 03 9428 8955.
